Legal Consultancy

Business Support Services

# Company Formation

- Mainland Company – Flexibility to operate across the UAE and expand internationally without restrictions.
- Free Zone Company – Full foreign ownership, tax exemptions, and simplified registration process.
- Offshore Company – Asset protection and international trade without conducting business in the UAE.

## Visa Services

- Investor/Partner Visa – Start and own a business in the UAE.
- Golden Visa – 10-year residency for investors and skilled professionals.
- Employment Visa – Secure work permit to build your career in the UAE.
- Dependent Visa – Sponsor your family and build a life in the UAE.
- Freelancer Visa – Work independently with UAE residency.
- Virtual Work Visa – Live in the UAE while working remotely.
- Property Investor Visa – Secure residency through real estate investment.
- Retiree Visa – Enjoy a peaceful retirement in the UAE.

## Legal Consultancy

- Annual License Renewal – Complete lifecycle management of business licenses.
- Labour and Immigration Account Management – End-to-end workforce compliance solutions.
- Annual Statutory Filings – Ensure adherence to key regulatory requirements.
- Corporate Governance Support – Comprehensive corporate meeting and documentation services.

## Bank Account Assistance

- Corporate Bank Account – Essential for business transactions, payroll processing, and international trade.
- Personal Bank Account – Manage finances, receive salaries, and handle local and international transactions.
- Offshore Bank Account – Manage funds and global transactions for offshore companies.

## PRO Services

- Visa and Immigration Services – Managing visas and work permits across the UAE requires expertise.
- Business Setup and Corporate Services – Starting and managing a business in the UAE requires various approvals and documentation.
- Regulatory and Compliance Services – Government approvals and documentation can be overwhelming.

## Business Support Services

- Legal Translation – Certified Arabic translations for official documents.
- Attestation and Notarisation – Complete handling of document authentication.
- Private Notary Assistance – Fast and reliable alternative to government notary services.
- Power of Attorney – Assistance with drafting and processing POAs.
